LIGHTING FIXTURES

Step4:

Remove the lampshade locking nut.

Step5:

Install the glass lampshade and lampshade locking nut sequentially onto the bracket.

Step6:

Install the E26 bulb sequentially onto the bracket.

1. Keep it clean during installation to avoid scratches on the surface of lamps and wires.
2. The environment should be ventilated and dry. Installation should be performed by a professional electrician.
3. Keep the lamp away from corrosive chemicals and gases, such as acids and alkalis. Cleaning should be done with a clean, soft cloth, and avoid using water.
4. Always turn off the power supply when cleaning the lamps or changing bulbs.
